Letsrecycle.com Finalist

Breckland Print, the Attleborough, Norfolk based printers recently won more recognition as a finalist in the Valpak sponsored Recycling Champion category of the national Lets recycle.com 2006 Excellence Awards in recycling and waste management. A total of 27 finalists covering 9 different categories appeared at The Savoy Hotel, London.

Breckland Print was the first East Anglian based print company to successfully achieve the coveted ISO14001 Environmental Standard in 1998.

Since then Breckland Print, the flagship commercial colour print division of Colchester Print Group has continued to focus on minimising its impact on the environment.

2005 EDP Business Awards Winner

Breckland Print recently scooped top spot in the Environmental Category of the 2005 EDP Business Awards sponsored by housebuilder Persimmon Homes Anglia.

What most impressed the judges was the way this culture of putting the environment first has not only been cascaded down from the top to staff on the shop floor but is now very much driven and shaped by the employees who work for this company”.

Green Apple Award Winner

For the second time Breckland Print was the only East Anglian Print Company to appear in the National Green Apple Environment Awards held recently at the House of Commons. The Attleborough based colour printer won the Silver Award for its successful implementation of a Carbon Management Strategy.

2002 Printing World Awards

Breckland Print won one of the UK Printing Industries top training accolades in the 2002 Printing World Awards. Breckland Print was one of 5 finalists in the Heidelberg sponsored Training Award and won the award for being able to successfully demonstrate a realistic training plan and success in its implementation.

Munken Accredited Printer

Our reputation as a specialist environmental Printing Company has brought another piece of glass-wear to our meeting room. The Munkedals Mill in Sweden has, through Howard Smith Paper, appointed our Breckland Print and Moreton Hall Press divisions as Accredited Munken Printers. Munken Paper is accredited with the Nordic Swan Environmental Label. It is manufactured using Totally Chlorine Free (TCF) pulps sourced from renewable managed forests and no optical brightening agents are added during its manufacture. Delia Smith presents Breckland Print with another UK first. Breckland Print became the first commercial colour printing company in the UK to be awarded all three of the major quality standards: ISO 9002, Investors in People and now the ISO 14001 environmental kite mark.

Green Apple Awards

Breckland Print has won one of Britain's top environmental accolades as National Gold Winner in the Green Apple Awards for environmental best practice.

BPIF Excellence Award

Breckland Print gained national recognition and put East Anglia on the map again in the British Printing Industries Federation Excellence Awards with an array of prestigious awards. The commercial printing and marketing solutions provider scooped top national honours for training excellence collecting the coveted Training Excellence Award for companies employing up to 100 employees.

BPIF Environmental Award

Breckland Print picked up its second environmental award in three months when The BPIF (British Printing Industries Federation) awarded us with the Bronze Award in the Environmental category of their "Excellence Awards" ceremony in London.

Virgin Direct winner

Breckland Print was announced as the winner of the Virgin Direct Staff Care Award at the EDP Business Awards. The award was judged with regard to the winning company having a shared vision from top to bottom, creating an environment where all staff feel challenged to reach their full potential.

Breckland Print picked up top honours in the BPIF National Training & Development Awards for the second time in two years.
